

Dana Point Boaters Association
Public Records Request
September 28, 2014
(Copy of email request)

Dear Brad,

Hope this email finds you well and it was good talking to you at Lisa Bartlett's receptions.

The Dana Point Boaters Association is submitting a Public Records Request regarding the upcoming CDP-13-0018, A-5-CDP-0018 and CDP-13-0018(I) hearing set for October 7, 2014 at the City of Dana Point. We are requesting copies of documents and correspondence submitted to the California Coast Commission (Commissioners & Staff), City of Dana Point (Council, Commissioners & City Staff) that have modifications or additions to the original Dana Point Harbor Revitalization (Commercial Core Project) Coastal Development Permit (CDP).

Per our conversation, during our review of the IP, District Regulations and LUP we have been unable to find where it allows for the removal of the boats in dry storage to a location outside of the harbor. Please provide the exact section within the Dana Point Harbor Revitalization Commercial Core Project (District Regulations, IP, LUP) documentation where this can be found; if this section is within another documents than those previously listed then please provide this document and section.

We respectively request receiving these documents as (.pdf) files to help save the loss of trees.

My contact information is listed below for your convenience.

We thank you in advance for your time and assistance for our request.

Sincerely,

Steve
